MESSAGE FOR AMERICAN CITIZENS - DECEMBER 2011 HOLIDAYS

As the holidays draw near, this is a kind reminder to all U.S. Citizens residing in Uganda to check your passports ahead of the busy travel season. The Embassy strongly encourages those in need of American Citizen Services (i.e. passport renewals, applications, visa pages and other routine services) to do so as early as possible.

Please note that the Consular Section will be closed to the public for routine services from December 26th, 2011 to January 2nd, 2012 and on every first Friday of every month thereafter. During this time, the Embassy will be able to respond to emergency cases only, such as a serious illness, crime or death. In case of an emergency, please contact the Embassy by calling 256 414 306 207 or 256 414 259 791.

Thank you for your cooperation, and best wishes for safe travels and a peaceful holiday season.
