*“Commit your way to the Lord; trust in Him and He will do this; He will make your righteousness shine like the dawn, the justice of your cause like the noonday sun. Be still before the Lord and wait patiently for Him; do not fret when men succeed in their ways, when they carry out their wicked schemes.” ~ Psalm 37:5-7*

Dear Brothers & Sisters in Christ:

This month it is with joy and thanksgiving that we share with you the progress of the higher education students. These students took their national testing examinations last fall and have gotten the results. Two of our outstanding students who have been attending Christ School in Budibugyo town which is just over the Ruwenzori Mountains from Ft. Portal did very well. They finished first and second in their class, Tadeo Katuramu and Nuuru Manyireki. Christ school is in another district and in a tribe completely different from Ft. Portal but they did better than any of the other home district students. It is very exciting to see these two young men grow physically and spiritually as we have known the two of them since they were in Primary school. They will now continue their education with S-5 which is preparation for studies at the university.

## HEADED FOR *University*

We also have four other students who attended different schools who have finished their qualifications to continue their education through university studies. They are: Richard Sevjovu, Susan Nyangoma, Robert Kasiyja and Fred Rugumayo. They will be placed in university as soon as possible. We congratulate them and praise our Lord for providing all of the necessary resources to allow these students to pursue their goals.

# OFF TO: Teachers College

In addition we have two students who did not qualify for university study from S-6, but they have the opportunity to go on to Teacher's College. They are Jacqueline Krungi and Edwin Monday. It is really a tremendous joy to see these students advance for we know the discouraging circumstances that most have to overcome just to have the opportunity to study and they embrace their opportunity with all of their strength using the gifts the Lord has endowed them with. Thank you all for being faithful to these students and all the others to give these students futures for the glory of our Lord Jesus.

## New School Supplies

In February, the beginning of the 1<sup>st</sup> term, Pastor Sam sent us some photos of the children receiving their school supplies. This is always an exciting time as they receive everything they need for the full semester from, papers, pens, exam books, to book bags, shoes and shoe polish. They receive the tools they need and the rest is up to them.
