“For this reason, since the day we heard about you, we have not stopped praying for you and asking God to fill you with the knowledge of His will through all spiritual wisdom and understanding. And we pray this in order that you may live a life worthy of the Lord and may please Him in every way: bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to His glorious might so that you may have great endurance and patience, and joyfully giving thanks to the Father, who has qualified you to share in the inheritance of the saints in the kingdom of light. For He has rescued us from the dominion of darkness and brought us into the kingdom of the Son He loves, in whom we have redemption, the forgiveness of sins.” ~ Colossians 1 : 9 - 14

Dear Brothers & Sisters in Christ:

It is with joy and thanksgiving that we can share the following e-mail with you from our highest educated student in the program. He is Luke Busobozi and he has been in the Good Samaritan from Primary school to this current time when he is doing post-graduate work at Makerere University in Kampala. He stays in the home of Pastor Sam and Zoe and as you will read he moves about Kampala by bicycle. After finishing his post grad study he will be working with the LC5 in his local district. The LC5 is the district representative to Parliament government seat in Kampala, Uganda. So read on and rejoice with us in God working mighty in this young man of God.

“Greetings in the name of our Lord and Savior Jesus Christ, how are you doing? Sometimes I sit and think of you and wonder of how your lives are doing, it is long since we had a very wonderful time together at the American Club here in Kampala. I know the wonderful Savior has you in His merciful arms.

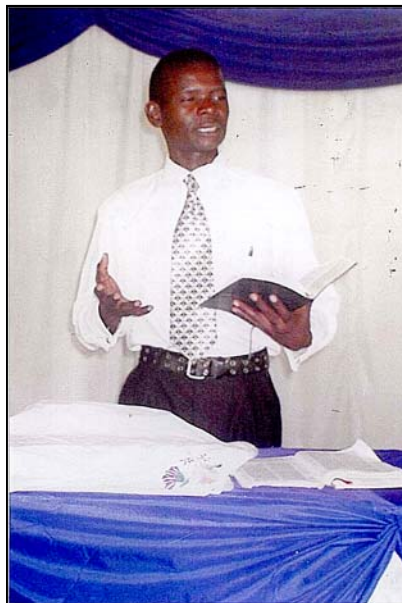

Just to let you know of how well I am doing at the school and that we are so much busy with work, the course is based on modules. So far we are on the 5th module which ends on February 2nd and then we'll have one more in March and then begin exams on 18th-19th April and then 25th-26th April. It will be a very trying time for each one of us in the class. We have all marked these dates and are doing due preparations for them. After the exams we will just break for only 19 days and resume on the 16th of May for the 2nd and last semester, which will end on the 15th of November doing my last exam. In the coming weekends we'll be doing class presentations, this will be done by each one in the course and will be given marks for each. We are now so busy doing research for. It will be marked out of 20 points, here nothing is for granted because every mark contributes to the final marks and grades, so all of us are “brutally” preparing so score as many marks as possible. My presentation may be “Management and organizational performance of public sectors and respect and adherence of the law,” or “Human Rights, our responsibility”. It takes a lot of time to prepare as one must use presentation methods such as lectures backed with power point presentations, case study, and demonstration. There will be testing of communication skills, non-verbal message fluency of the subject matters and many other things. I think I will have to do well for the one who gives me strength will present.

My dear ones thank you for praying for us, it takes inspiration from God's Spirit to enable us to do whatever we are able to do for His glory. I am even more grateful to live with a very loving Home of my Dear Pastor Sam. His inspirations gives the ability to strive for excellence, some times myself cannot show my inter thank you to him. Every one of us in the family of Kasule is so loving, smiles are all over our faces (not so usual for myself but have adapted to it). I am so thankful to all the Kasules especially Zoe Kasule.

We too had a very busy time with research once again but was able to do it in time. I am so grateful to God who enables me to ride through the city with a lot of traffic congestions. Now I am a very perfect rider in the city. My bike sometimes breaks down but God has always provided to fix it well. We have such busy times. Praise God! God is good for He is the Only constant, for He changes not, He is the rock of ages may His Name be glorified forever.

*God Bless you dear ones, OK for now.
In His Perfect Hands,
Busobozi Luke"*

May the Lord bless the hands of this His laborer of Christ. Glory to God from this young man and it makes everything worthwhile. He is truly the author and perfecter of everything. Thank you Jesus.

Advanced education costs have increased dramatically over the last year. If you feel led of the Lord to give a one time donation, these funds would be appreciated.
