“Because He loves Me, says the Lord, I will rescue him; I will protect him, for he acknowledges My name. He will call upon Me, and I will answer him; I will be with him in trouble, I will deliver him and honor him. With long life will I satisfy him and show him My salvation.” ~ Psalm 91: 14-16

Dear Brothers & Sisters in Christ:

It is always good to share with you the joys of seeing some of our students who have been in the project for many years to finally accomplish their goals of advancing or finishing their education. They are then able to become self-sustaining citizens of Uganda which is the prime goal of the project, other than coming to know Jesus as their Lord and Savior. We are therefore introducing to you our most recent graduates. You will see them as we first knew them, young and eager and now a bit more grown and still eager.

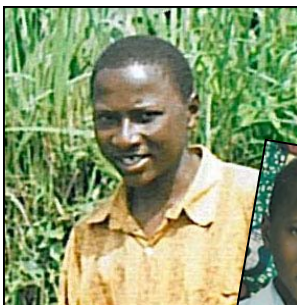

Beatrice Paika

She has been in the Good Samaritan Project since 2002 and now she has graduated from Rosa Mystica Catering School.

Michael Kamanyire

He has been in the project since 2004 while at Hope Primary School. He has now finished his S-4 education and will move into doing his advanced High School of S-5 and S-6 in preparation for attending the University.

Alex Manyindo

He became part of the project in 1997 at Hope School and now has completed his S-4 High School training. He like Michael has excelled in school and will advance to S-5 and S-6 High School education in preparation to attend the University.

Eudia Amaniyire

She has been part of the project since 1998 at Hope School. She has now graduated from Rosa Mystica Tailoring School which has equipped her with a full array of sewing skills. Note also she has a heart shaped tag from the first year of picture taking for Barbara and Dick.

Robert Kalenzi

Robert has been in the project since 1998 and is the son of Pastor John and Margaret Kalenzi. John is Pastor of the Rewengoma New Life Church in Ft. Portal. He has finished his full High School training through S-6 and has the desire to become a Pastor like his father. He has applied, interviewed, passed his entrance testing and now been accepted at African Bible University in Kampala, Uganda. He will be our first Good Samaritan student to attend Bible University. ABU's four-year program is designed to award its graduates a Bachelor of Arts degree in Biblical Studies as well as give students an opportunity to minor in either Communications or Christian Education.

Rejoice with us in seeing the future of Uganda becoming more advanced with the growing of its young citizens spiritually, physically, and intellectually. Praise the Name of the Lord, Hallelujah!

*In His Arms,
Pastor Sam & Zoe Kasule Dick and Barb Johnson*

P.S.

Did my letter get to my sponsored child?

On May 8, 2009 we received several Christmas Cards from Pastor Sam in Uganda that were posted on December 13, 2008 from Uganda. Praise the Lord they arrived safely!
