“Ah, Sovereign Lord,” I said, “I do not know how to speak; I am a child.” But the Lord said to me, “Do not say, ‘I am only a child.’ You must go to everyone I send you to and say whatever I command you. Do not be afraid of them, for I am with you and will rescue you,” declares the Lord. Then the Lord reached out His hand and touched my mouth and said to me, “Now, I have put my words in your mouth.” - Jeremiah 1:6-9

Dear Brothers & Sisters in Christ:

With great joy and thanksgiving we are showing you the pictures from the December Christmas party. Pastor Sam has this to say of the festivities:

“We indeed had a very, very, very wonderful Christmas party! Lots of food and drinks, as well as rice, matoke (smashed and boiled bananas), and Irish potatoes as mountains of plates of food were cleared. It’s always a joy to see big smiles as they eat all the delicacies and clean the plates and empty the many soda bottles. Taddeo Katuramu was the master of ceremonies. He performed very well, articulate with many scriptures from the Bible in between. I used the golden opportunity to share from Isaiah 9:1-6. Nuuru Manyieki spoke on behalf of the students. We were all amazed by the maturity, encouragement, advice not only to fellow beneficiaries but even the guardians. He started off by thanking God for the project, for their lives, thanked the guardians for God using them to provide and care for them and indeed the sponsors. He advised them to avoid any ungodly acts that may land them in trouble like living a loose life, immorality and disobedience. He used his experience in medical training of how over 60% who come to the hospital with mental problems do so after excessive use of alcohol and drugs. Then the guest of honor a lady Miss Grace Katusabe who is a community Development officer in Busoro also was so supportive; she said she had never heard of a project which shows a lot of love and provides many things like the Good Samaritan! She said she had heard a lot before about the project and now she had seen with her own eyes. She counseled the beneficiaries to be so thankful as they are a few of the many disadvantaged children to be blessed in such a way. She advised them and the guardians to be God fearing. Then the gifts were given out, the cake, songs, memory verses, wow!! It was great and we were so humbled at what God has done through this ministry of His.”

We are all humbled to say thank you all for your faithful participation in the GSSP!

*Blessings in the Arms of Jesus,
Pastor Sam & Zoe Kasule Dick & Barb Johnson*
