Wide-open, Year Two of S. Sudan

1. Above is a picture of a square kilometer of land to be developed by the Presbyterian Church in South Sudan for Kingdom work. You can be part of the foundations.
2. We can probably put your gift/skill to work in S. Sudan. Let us try.
3. This is our seventh year in Sudan, working with our S. Sudanese partners. Our objectives are to meet spiritual and physical needs of S. Sudanese. We offer seminars, medical services (as personnel are available), evangelistic outreach, and building opportunities. Through partnership with U.S. churches, we're engaged in church planting, pastoral training and micro-economic development.
4. Our teams are relational and multicultural. We go to serve, rather than to observe.
5. The fee is \$2,300, plus round-trip airfare to Entebbe, Uganda. Our agent provides discounted fares on quality airlines, and excellent service. Immunizations, visas, and outfitting are extra. Dates may vary slightly due to airline schedules.
6. You can become a liaison for your church to get involved. Team members' lives have been changed—Ellen Fox is an example.
