Based on coordination with Ugandan authorities, and taking into account the heightened security measures the government has put in place, we believe that the immediate threat of an al-Shabaab attack has been effectively countered. We remain vigilant to the possibility that some of the attack cell could still be at large, but we believe that it is appropriate to rescind the guidance to shelter-in-place. We urge, however, that all U.S. citizens maintain heightened security awareness given the ongoing potential for terrorist attacks in Uganda. Please continue to monitor email and news outlets for any updates.

Review your personal security plans; remain aware of your surroundings, including local events; and take appropriate steps to enhance your personal security such as varying your daily routines and avoiding crowded locations.

We strongly recommend that U.S. citizens traveling to or residing in Uganda enroll in the Department of State’s Smart Traveler Enrollment Program (STEP) at www.Travel.State.Gov. STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the State Department’s website, where you can find the current Worldwide Caution, Travel Warnings, and Travel Alerts. Read the Country Specific Information for Uganda. For additional information, refer to the “Traveler’s Checklist” on the State Department’s website.

Contact the U.S. embassy for up-to-date information on travel restrictions. You can stay in touch and get updates by checking the U.S. Embassy Kampala website. You can also call 1-888-407-4747 toll-free in the United States and Canada or 1-202-501-4444 from other countries. These numbers are available from 8:00 a.m. to 8:00 p.m. Eastern Time, Monday through Friday (except U.S. federal holidays).
