Friday, April 8, from noon to 1:30, the U.S. Embassy Kampala Consular Section will host a town hall meeting for American citizens at the Café Ark in Mbarara, just off Golf Course Road and near the Ugandan High Court offices. Participants will have the opportunity to talk to Vice Consul Tom Hayes and other embassy staff about general security matters, American citizen services, voter registration for U.S. elections, the Department of State registration process, the warden system, and other issues. One beverage will be provided to each person attending.

Although this meeting is primarily for U.S. citizens residing in Mbarara district or in districts in southwest Uganda within driving distance of Mbarara, it is open to all U.S. citizens, regardless of where they live and whether they have registered with the Embassy or not. You are receiving this email because you have registered, but if you know other U.S. citizens who may not be registered, please pass along this invitation to them as well. For those of who receive this message forwarded from someone else, please register at [http://step.state.gov](http://step.state.gov) to ensure you receive all our messages in the future.

We encourage you to take advantage of this opportunity to meet with Embassy staff. If you are able to join us, please RSVP with an email to KampalaUSCitizen@state.gov. We are able to accommodate 60 guests on a first-come first-served basis, so only U.S. citizens (plus non-U.S. citizen spouses and children) who have RSVP’d and received confirmation that they are on the guest list may attend. To maximize the number of different families who can attend we ask that you limit your attendance to two members per family. Responses must be received no later than April 1, 2016, and must include your name and the name(s) of anyone else in your party. We look forward to seeing you there!

For those of you who do not live within driving distance of Mbarara, the Embassy plans to hold town hall meetings in different regions of Uganda in the coming months, including in or near Kabale, Fort Portal, Masindi, Gulu, Arua, Mbale, Moroto, and Soroti.

For more information about the location of Café Ark, please contact Geoffrey Boyenza at 0702964618 or by email at gboyenza@gmail.com
