On Wednesday, May 4, 2016, from 10:30am to 12:00pm, the U.S. Embassy Kampala Consular Section will host a town hall meeting for American citizens at the Bomah Hotel in Gulu, on Eden Road. Participants will have the opportunity to hear remarks by Ambassador Malac and discuss general security matters, American citizen services, voter registration for U.S. elections, the Department of State STEP registration process, the warden system, and other topics of interest with Vice Consul Todd Heffner and other embassy staff. One coffee or tea will be provided to each person attending.

This meeting is for citizens registered with the U.S. Department of State’s STEP program in Gulu and surrounding regions. You are receiving this email because you have registered, but if you know other U.S. citizens who may not be registered, please pass along this invitation to them as well. For those of who receive this message forwarded from someone else, please register at https://step.state.gov/step/ to ensure you receive all our messages in the future.

We encourage you to take advantage of this opportunity to meet with Embassy staff. If you are able to join us, please RSVP with an email to KampalaUSCitizen@state.gov. We are able to accommodate 70 guests on a first-come, first-served basis, so only U.S. citizens (plus non-U.S. citizen spouses and children) who have RSVP’d and received confirmation that they are on the guest list may attend. To maximize the number of different families who can attend we ask that you limit your attendance to two members per family.

Responses must be received no later than April 27, 2016, and must include your name and the name(s) of anyone else in your party.

You also must bring your U.S. passport or valid government identification with you to the event.

We look forward to seeing you there!
