Don’t wait, return your voted ballot right away! Remember U.S. embassies and consulates are not polling places; same-day in-person voting is not available outside the United States. The majority of states require voted ballots to reach local election officials by the close of polls on Tuesday, November 8. U.S. citizens who want to participate in the 2016 U.S. elections should already have returned their absentee ballots to their local election officials.

Never received your ballot? If you registered to vote and requested an absentee ballot prior to your state’s registration deadline, but have not yet received your ballot, complete and return a Federal Write-in Absentee Ballot to ensure your vote reaches election officials by your state’s deadline. If your regular ballot arrives later, complete and return it as well. Your Federal Write-in Absentee Ballot will only be counted if your regular ballot does not reach local election officials by your state’s deadline. Your vote will not be counted twice.

RETURNING YOUR BALLOT:

The final date to return your paper ballot to your local election officials by Election Day via the U.S. Embassy Kampala is October 21, 2016. If you wish to drop off your ballot, or have a friend or colleague drop it off for you place it in either a postage-paid envelope or envelope bearing domestic U.S. postage addressed to your local election officials. You may drop off your completed ballot in a sealed, addressed envelope at the U.S. Embassy Kampala North Gate security receptionist. Our mail staff will pick up your ballot and place it in our mail service for delivery back to the U.S.

Please ensure you use the envelope or envelope cover provided by your voting districts as the postage is pre-paid. If you did not receive this, you will need to address the envelope yourself and provide appropriate postage. Your ballots will be mailed using the government pouch system, which takes a minimum of 2-3 weeks to arrive in the U.S. Please allow an additional 3-5 days USPS delivery time beyond the pouch delivery timeframe.

Missed the U.S. Embassy Kampala shipment deadline? Consider returning your ballot to the United States via an express courier service such as FedEx, UPS, or DHL or electronically if allowed by your state. Ballots sent to local election officials via express courier service do not receive standard postmarks, so voters using this method should confirm delivery on or before November 8 prior to payment and shipment. Check your state’s voting procedures at www.FVAP.gov for guidance.

Returning your Federal Write-in Absentee Ballot by email or fax. If you have previously registered to vote and requested an absentee ballot but it has not yet arrived the following states allow voters to use email or fax to send signed, voted Federal Write-in Absentee Ballots to local election officials: Alaska (fax only), Arizona (contact election official first), Arkansas (fax only), Colorado, Delaware, District of Columbia, Florida (fax only), Hawaii (fax only), Indiana, Iowa, Kansas, Louisiana (fax only), Maine, Massachusetts, Mississippi, Montana, Nebraska (fax only paper copy must also be mailed), Nevada, New Mexico, North Carolina, North Dakota, Oklahoma (fax only), Oregon (paper copy must also be mailed), Rhode Island (fax only), South Carolina, Utah, Washington, and West Virginia.
Review your state’s voting procedures at www.FVAP.gov carefully for guidance.

Returning your ballot by international mail delivery. If using DHL or Fedex in Uganda, be sure to affix sufficient international postage, and allow sufficient time for international mail delivery. Ballots sent via regular international mail from most countries at this late date are unlikely to reach local election officials by state ballot receipt deadlines.

HELP SPREAD THE WORD ABOUT OVERSEAS VOTING. Please help spread the word to your friends, family, and colleagues that now is the time to start thinking about overseas voting. Consider posting to your Twitter, Instagram, Facebook or other social media account that you are an active voter and will be dropping off or mailing your Federal Post Card Application or completed ballot. Use #ProudOverseasVoter to help get the word out about voting.

Have Questions? Please contact the U.S. Citizen Services unit in the consular section at KampalaUSCitizen@state.gov. You can also contact the Federal Voting Assistance Program directly if you encounter issues with local election officials by emailing Vote@FVAP.gov or toll free by phone from many countries around the world.

Confirm your registration and ballot delivery online. Learn more at the Federal Voting Assistance Program’s (FVAP) website at www.FVAP.gov.
