Health Alert – U.S. Embassy Kampala (March 25, 2020)

Location: Uganda

Event: There are nine confirmed cases of COVID-19 reported in Uganda.

Registering Interest in Future Flight

The Government of Uganda announced the closure of Entebbe International Airport effective at 12:00 a.m. March 23, as well as the closure of all land borders. No individual will be allowed to enter or depart Uganda by air, land, or water except for specific cargo vehicles which must follow strict Ministry of Health procedures.

The U.S. Embassy in Kampala has confirmed that the Qatar Airways flight for March 25 was closed for booking due to heavy demand. Qatar Airways has said they will return phone calls to the individuals who had already reached Qatar Airways and arrange their booking, to the extent that they can find sufficient availability aboard onward flights from Doha to the United States.

If you want to return to the United States but you were unable to book this or any other flight, please register your interest by emailing KampalaUSCitizen@state.gov using the subject line: Repatriation Interest. If you were able to successfully fill out the previous survey, you do not need to send an email as well. In your email please provide the following for each traveler:

- Full name
- U.S. passport number
- Date of birth
- Gender
- Email Address
- Phone number
- A photograph of the biographical information page of your passport

Only send an email with this information if you are interested in immediately departing for the United States. There is no need to call the Embassy to confirm receipt of your email. We will use the contact information you provide to communicate about any possible additional commercial flight(s) soon. If you have questions or concerns about other matters, please contact our email address.

The Department of State has issued a Global Level 4 Health Advisory for COVID-19.
