Health Alert – U.S. Embassy Kampala(April 6, 2020)

Location: Uganda

Event: There are 52 confirmed cases of COVID-19 reported in Uganda according to the Ministry of Health.

(Note: This message is a repeat of yesterday's message.)

Since the closure of Entebbe International Airport on March 23, the U.S. Embassy has worked with the Government of Uganda to allow for two special commercial flights through Qatar Airways to assist U.S. citizens wanting to depart Uganda.

The Department of State is currently not organizing another commercial flight or an evacuation of U.S. citizens from Uganda. However, in the event that opportunity becomes available, let us know if you are interested by answering our survey.

If the U.S. Embassy arranges another repatriation flight we will contact you at the email address you provide in the survey to provide logistical information, including the approximate cost per seat estimate, as well as how to book the flight.

Interested parties should verify that their passports and other documentation are current and valid for at least six months from today’s date. For emergency American Citizen Services, including emergency passports, please visit our website.

Waiver of Illegal Stay for Foreign Residents and Visitors in Uganda:
The Ugandan Ministry of Internal Affairs announced for all foreign residents and visitors that any fines accruing from an illegal stay in Uganda from March 18 to May 17 have been waived. Foreign residents and visitors with expired immigration status can freely access services in the country without the threat of being arrested. Please see the attached Press Statement from the Ministry of Internal Affairs for more information.

Background:
On March 22, President Museveni announced a number of new measures to combat the spread of COVID-19, including a ban on the use of public transportation and closure of Uganda’s borders. On March 30, he announced additional measures including a two-week ban on the use of all personal transportation, the closing of all non-food businesses, and a national curfew from 19h00 until 06h30, among other restrictions.

The Department of State has issued a Global Level 4 Health Advisory for COVID-19.

The Centers for Disease Control and Prevention (CDC) has issued a Level 2 Global COVID-19 Outbreak Notice.
Actions to Take:

- Visit the Government of Uganda website on COVID-19
- Consult the CDC website for the most up-to-date information.
- For the most recent information on what you can do to reduce your risk of contracting COVID-19, please see the CDC’s latest recommendations.
- Visit the COVID-19 crisis page on travel.state.gov for the latest information.
- Check with your airlines, cruise lines, or travel operators regarding any updated information about your travel plans and/or restrictions.
- Visit our Embassy webpage on COVID-19 for information on conditions in Uganda.
- Visit the Department of Homeland Security’s website on the latest travel restrictions to the United States
