

Area of Possible Ministries

Ministry typically falls into three broad categories:

1. Evangelistic - Evangelize the lost, Luke 19:10, 1 John 20
 2. Exhorting or Teaching - Speaking the truth in love, Ephesians 4:15
 3. Diaconal (service) - Acting the truth in love, the ministry of mercy, Matthew 25:35-40
- A well balanced team will have members working in several of these suggested areas below

Ministries	General Description
Conference Ministry	Typically coordinated through local churches with teaching sessions for adults, men, women, youth, marriage and family issues, pastors and church leadership, prayer, worship, how to study Bible, discipleship
Evangelism Ministry	Evangelism instruction with actual one on one, open air, and door to door evangelistic outreach, plus the distribution of Bibles and tracts
Church & Church Planting Ministry	This requires significant prior preparation plus coordination with local churches, pastors, and even community leaders
Teaching Ministry	There are growing opportunities to teach in Bible schools, seminaries, and at the university level and must be coordinated months in advance
Mercy Ministries	Working with orphans, widows, AIDS patients, hospitals, birthing centers, schools, and pregnancy centers
Business Ministry	Competent business leaders sharing basic business skills
Construction Ministry	From simple maintenance and repair to building church building, pastors homes and orphanages from the ground up
Medical Ministry	Physicians, physician's assistants, nurse practitioners, nurses and other care givers interested in basic tropical healthcare with an emphasis on improving the skills of indigenous healthcare workers
Eye Care Ministry	Usually takes the form of providing inexpensive reading glasses, or used prescription glasses. A US ophthalmologist is involved in our ministry and those interested in eye care at this level should let Bob Hayes know. He will provide necessary contacts
Dental Ministry	Dentists and other dental care givers with emphasis on extraction and basic dental hygiene
Adult Ministry	Bible instruction, preparation for marriage, husband wife relationship, parenting skills, homemaking, cooking
Youth Ministry	Sharing of testimony, gospel presentations, teaching of praise songs, Bible instruction, small groups, sports, preparation for marriage
Children's Ministry	Vacation Bible School, Bible stories, sports, Sunday School, games
Music Ministry	Music workshops to help improve musical skills
School Ministry with Teachers	Experienced US teachers spending time helping Ugandan teachers improve their skills and expose them to new approaches to teaching and learning, classroom management, and teaching tools
School Ministry with Students	Sharing of testimony, gospel presentations, teaching of praise songs, simple fellowship with team members and as below
Dance/Drama/Arts Ministry	Dance in the form of ballet, drama in schools and other arts as a means to broaden the experiences of students and expose them to the arts from a Christian perspective
Sports Ministry	Primarily football (soccer) but some basketball, and other "net" games

We are a "Word & deed ministry" in which the ultimate goal of every activity is to build relationships and share Christ, all to God's glory. All team member are called upon on Sunday's to teach Sunday School, share testimony, or preach in area churches.
