LEONARD ISODO AUGUST AND SEPTEMBER REPORT

- Twenty messages aired out through radio; very many people listen to this program at Aisa radio from 6 am to 7 am, Monday, Wednesday and Friday
- I made 9 home visits to share the Gospel with people
- Dedicated four kids in different churches
- Had evangelistic mission to Bukwa in Kapcorwa, by invitation of the Anglican bishop of Kapcorwa. We visited 80 homes going door to door with the gospel. 25 people from Kumi diocese were invited to this mission as well, and so we made a team of 50 people altogether. A total of 975 people prayed to receive Christ (hopeful converts) during door to door and the crusades as well. As a result two churches were planted in two separate places. There is need for follow-up
- Street preaching is on going
- Preached in two funerals with the audience of about 400 people in attendance in each session
