Date: 6/20/2020 8:06:43 AM Central Standard Time
From: Leonard Isodo

As the partial lock-down continues the only option is street preaching, home visits and mainly radio ministry:

1. Did 9 outreaches via radio and 8 people called on the name of Christ.
2. Made 3 home visits
3. Street ministry is on going.

Thank you for your continued support. I am on my way to do another radio outreach in Kumi right now
