Fort Portal, Uganda  
East Africa

*“Praise the Lord. Praise God in His sanctuary; praise Him in His mighty heavens, Praise Him for His acts of power; praise Him for His surpassing greatness. Praise Him with the sounding of the trumpet, praise Him with the harp and lyre, praise Him with tambourine and dancing, praise Him with the strings and flute, praise Him with the clash of cymbals, praise Him with resounding cymbals. Let everything that has breath praise the Lord. Praise the Lord.” ~ Psalm 150: 1-6*

Dear Brothers & Sisters in Christ:

## Medical Team in Busoro

As you read this newsletter we will be with a medical team in Uganda for the second year in a row. We are thrilled to be able to continue to meet the medical needs of the children of the Hope Primary School, the Good Samaritan Project, Hill Top Nursery and hopefully another local community called Kiswa. The medical funds are being provided in large part by the Boy Scout Troop #113 in Weirsdale, Florida. They have been very instrumental in helping the Hope Primary School and to promote their brother troop #113 at the Hope School.

This year while there Dr. Picky Pares will be doing some training with the Boy Scouts in First Aid. The Weirsdale troop has provided First Aid kits, the Scout First Aid Books and upon completion of the training the scouts will receive a First Aid Badge. Then as a further reward we will give certificates and a gift of mosquito netting. We hope that this training will equip the Scouts to be more helpful in handling medical issues that arise on a daily basis. As you can imagine small medical issues turn into big ones with the lack of basic medical attention. And even further we are praying for some Scouts who may want to give their lives to the service of Christ in the medical field.

Another of our desires is to continue to deepen the medical treatments of the children of the Hope Primary school. This would include a complete medical history on each of the children so that their records may follow them after they graduate from Hope Primary. In most cases the children do not have any records of previously treated conditions and this sometimes complicates any future treatments for the children.

## Prayer for Pastor Sam and Zoe

Please be in prayer for our dear Brother Pastor Sam and Sister Zoe as Pastor Sam has recently recovered from a bout with malaria and Zoe had a very high sugar level. They both have recovered after treatment and as Pastor Sam says; “He can now kick like a calf and fly like an eagle.” Pray for them also as they have been doing counseling: Pastor Sam writes: “Zoe and I drove to Mabaale for serious counseling session of a marriage at the verge of breaking where even one partner is threatened suicide! May God use us and thanks be to God for my training in Masters of Divinity (His advanced education training) for the lectures we had was on Biblical counseling! How good is God’s perfect timing for many people have started benefiting, even recently another couple was healed through our counseling. It is so humbling to see how God can use a simple village boy to help and build His kingdom! Glory be to God, I am indeed humbled.”

# Good Samaritan Children

*Pastor Sam writes:*

“We had our Good Samaritan Bible Fellowship where we gave out stationary and other needs for the new term. It was a great joy to see these young boys and girls with sparking eyes and joy on their faces. I am always reminded of God’s undying and unconditional love. His abundant supply to us, the love that cannot be stopped by miles of oceans or mountains, but always flowing through this ministry of mercy!”

Three of the children who have lived in troubled homes are now in Tooro Boarding School for this term. They are: Grace Tuhaise P4, Angella Kabasinguzi P6 and Esther Kakwezi P6. Stella Kawiidi has joined Cannon Apollo Teachers College and Lucy Kabagenyi is at Hope School as a teacher training. Lucy just finished her final exams at Butiti Teachers Training College and is waiting for her results.
