Tonight is just a quick note so I can get some sleep. Today was a busy day of surgery and night of preparation for tomorrow. God has given me some good help here, but it would be nice to have more.

All surgeries went well without complications.

Attached is a photo of Bob Hayes sharing the gospel with the patients at the evening meal. Pray for him as he visits with them individually.

It looks like one more hard day of surgery, then the pace will change again.

Thanks again for your support.
