Subject: **Next Hayes Uganda Trip**

It is my plan for my next trip to begin on Thanksgiving afternoon as I leave for Uganda. Traveling on Thanksgiving day is much cheaper than the days before and after. In fact, I learned something this time. For the first time I can remember, my ticket price was broken down and it shows airfare to Uganda of \$700 with an additional \$605 in taxes, airport fees and security charges.

Plans are to arrive Friday night and then on Saturday get ready for a trip to Kyamagemule with Dr. J. D. Bonner. He wants to visit with the idea of a future eye ministry there.

Dr. Bonner has written a paper on [Ebola and Ministry in Uganda](#) you might be interested in reading. See also the Ebola map below

On Tuesday I will prepare for two weeks of ministry with Dr. Krabbemdam as follows:

- November 29 - December 1, Ministry in Kyamagemule
- December 3 - 8, Ministry in Bushenyi - southwest Uganda
- December 9 - 14, Ministry in Kisoro - southwest Uganda
- December 15 - 17, Ministry in Kampala area

There will be 5 others who will join this ministry team.

Please visit my [Uganda Ministry page](#).

Please visit my [list of ministry projects](#) and see if there are any projects you might wish to help with.

Thanks for your prayers.
