Subject: Merry Christmas from Uganda Ministry

Betsy and I would like to wish everyone a very **Merry Christmas** and thank you for your faithful prayer and support for the ministry in Uganda.

After the last trip I was told I should always send out an "I'm home" message just so folks would know. So here it is "I'm home!"

Thanks to all who have expressed interest in helping support children at Kyamagemule. We still have some children who need sponsors if you are looking for a worthy project for 2015.

- You can read the article on the effectiveness of [child sponsorship](#) from a study done of Compassion International. We are not trying to compete with CI, just duplicate their work in one small village

Plans now are for the next Uganda ministry trip to be April 16 - May 8. Tentative plans are for more work at Kyamagemule, a church plant, and an eye clinic with Dr. J. B. Bonner.

One final photo from the December trip. This photo was mounted on a plaque and one given to all our team members. The interesting thing is this is actually four photos, all photo-shopped into one. There never was a time when all the folks in the photo were in the same place at the same time.
