Subject: Uganda Update, Tuesday, September 22

We just completed the second day of training for 13 young men from Gulu and Kapchora. The course is on Bible interrelation and preaching. Very worthwhile project, but not a lot to take pictures of or write about.

These are very motivated young men and are working hard to understand the material. We will continue this through Friday and then on Saturday I will go to Kyamagemule until Wednesday.

The old man from Sunday Services walking home. Offered him a ride but he said getting in and out of automobile was too painful.

Dr K teaching the class.
