Subject: Books for Uganda

A seminary student in Uganda, Emmanuel Agaba, has asked me see if I can locate the following books for his studies.

Perhaps some of you have good copies of these on your bookshelf and would to happy to see them start a new life in Uganda.

Thanks,
Bob

Here are the titles:

- Ashamed of the Gospel: When the Church Becomes Like the World by John F. MacArthur
- Understanding the Bible by John R. W. Stott
- New American Standard Study Bible
- Growing in Christ by J. I. Packer
- Holiness by R. C. Sprout
