Just a quick note to make you aware that I am returning to Uganda (DV) September 18. This originally was a trip to assist Dr. J.D. Bonner with his eye clinic. Due to unforeseen circumstances, he has had to postpone that ministry until January.

I had already planned some other ministry opportunities on this trip and will go ahead with, and expand them. Also, my son-in-law, Fred Schreiber will be joining me on his third ministry trip to Uganda through September 30.

Here is our basic schedule:

- Sept 18, Depart for Uganda
- Sept 20-21, Ministry in Seeta Nazigo
- Sept 22 - 25, Ministry in Kiroba
- Sept 26 - 30, Ministry in Kyamagemule
- Oct 1-4, Ministry with Christian student group at Makerere University
