Subject: Uganda Ministry: Annual Christmas Food Baskets

As we continue to pursue Betsy's medical treatment for Renal Cell Cancer (she is responding very well, thank you for your prayers) it was decided that I would not return to Uganda in December (and perhaps not until February or March). I still wanted to follow the pattern of the last two years and provide family Christmas food baskets for impoverished family in rural Uganda. For a gift of \$25 dollars we will provide a family the following:

- 1 Live chicken
- 1 kilogram of rice
- 1 kilogram of maize flour
- 1/2 kilogram of potatoes
- 1 liter of cooking oil
- 1/2 kilogram of sugar
- 1 loaf of bread
- 1 tub of Blue Band (margarine)
- A plastic pan for delivery and future family use

You can give by mail as follows, please clearly mark the donation is "Food Basket"

Africa Christian Training Institute (Christmas Basket)
PO Box 15621
Panama City FL 32406-5621

Or by credit card online at the Network for God
at <https://www.networkforgood.org/Donation/Expressdonation.aspx?ORGID2=62-1722203>

We plan for basket distribution to begin December 21.

Thanks for your consideration.
