Subject: A Word of Thanks

Just a quick note to say thanks to all who responded and helped with the 2018 Christmas Food Baskets in Uganda. Today I was able to transfer \$1,575 to Uganda among three pastor friends of mine. Together they has identified 60 impoverished families that, by your generosity, will have a very special Christmas. I also allocated a few dollars to each pastor to help cover the cost of transportation of the baskets as gasoline is over \$5.00 per gallon there and all the folks are in rural areas.

As they distribute the baskets over the next several days, they will send me photos and I will do a follow-up report next week

Thanks,
Bob
