This email is for families who sponsor one or more children in Uganda to let you know I am (DV) going to Uganda May 15.

I am letting you sponsors know now so if you wish to send some gift items to your child, there is time to do so.

The rules has changed as the number of sponsored children has grown (praise God) so we have had to make restrictions on how much is taken. Every additional checked bag is \$200 so we need to pack wisely so all can be taken in the allotted bags with no need for extra checked bags.

We now have drawstring gift bags (red for girls, blue for boys) that we supply you along with a name tag for the children. Let me know by email if you want to send a gift bag this trip and I will get a bag to you next week.

The complete details are attached in a PDF file or you can visited these two links:
