Just a quick note to say I am home safe and sound from another great ministry trip in Uganda. Thanks very much for your prayers and support.

I am also pleased to say that the funds necessary to help the hydro-cephalic baby and to provide a new prosthetic leg for the young lady have been received. I did not make it clear that the young lady was shot as a child during their civil war. They were unable to help and she lost her leg below the knee. I am thankful, with your help, we are able to provide relief for such families in Uganda.

Plans are still in the early stages, but we hope to go again in October as part of Dr. J. D. Bonner's team from Hixson Presbyterian Church, working with their church plant at Kiroba. Dr. Bonner will also provide an eye clinic and free cataract surgery as part of the October ministry. Anyone interested in being part of such a team, just let me know.

Thanks,
Bob
