Subject: Next Uganda Trip, November 9

My next Uganda mission trip has been set (DV) for November 9 - 23. My son-in-law, Fred Schreiber, will be accompanying me again. Below is our tentative schedule.

- Tue Nov 9 - depart USA
- Wed Nov 10 - arrive Entebbe Uganda, 10:30 p.m.
- Thu Nov 11 - travel to Kyamagemule
 - Ministry will be both in Kyamagemule and Nyanzi
 - 2 teaching sessions each day
 - Home evangelistic and pastoral visits
 - 4 rain* projects (2 each village)
 - Sunday worship (both villages)
- Tue travel to Seeta Nazigo
 - Teaching sessions each day
 - Home evangelistic and pastoral visits
 - 2 rain* projects
- Fri travel to Kiroba
 - 2 teaching sessions on Sat
 - Home evangelistic and pastoral visits
 - 2 rain* projects
 - Sunday worship
- Mon conclude ministry and prepare for journey home

*In the past I called these "Water Projects" but finally realized their purpose is to collect rain water for family use. For less than \$100 per house (must have metal roof), we put up a fascia board, then add gutters, a down spout and a 1,000 liter (about 265 gallons) collection tank with a spicket. We build a concrete foundation for the tank to sit on, and the project is done.(see photos below) We target widows and the elderly with these projects, The pastor and the church members in each area help select the recipients. I once had lunch with the USAID Officer from the American Embassy in Kampala. He said he had seen 50 page project proposals with all kinds of graphs, maps, diagrams, and equipment costing thousands, that were in fact, much, much less effective in impacting the lives of village dwellers, than a simple gutter and a collection tank. We still do deep well drilling around the schools that we help start. These not only provide safe, clean water for the children, we also open these wells to the community as a Christian witness as we offer the water of life.

Please join us in praying for this trip. We both must have negative covid test 72 hours before our flights and a similar requirement when leaving Uganda at the end of the mission trip.

Pray that God will give us opportunities for witness and service.
